Barron County**

Barron County in conjunction with the Wisconsin Department of Transportation, plans to rehabilitate the County SS Bridge over the Chetek River, located approximately 0.25 miles south of the intersection with 2nd Street S in the City of Chetek.

The objective of this Public Outreach is to provide adjacent property owners, interested citizens, and public officials with an opportunity to comment on the bridge design and project impacts for this improvement.

Public input is valuable, and we encourage you to ask questions by completing the attached Comment Form or contacting the following representatives:
